

Papillon Club of America Health & Genetics

CHRIS JACKSON

Hi my name is Chris Jackson.

I have lived most of my life in Logan county, Ohio. I grew up on a small farm with my grandparents. Animals have always been a big part of my life.

We had cows, chickens, ducks, cats, dogs & one fat pony. I was married 30 yrs. 2 children. Now divorced hence the kennel name Liberty.

I have a professional pet grooming business (over 20 years) & have had Papillons for over 20 years too. I started with German shepherds in obedience & schutzhund work .

My interest grew into wanting a small dog for conformation. I was drawn to Papillons for their personality , ease of coat care ,& generally a healthy breed.

I joined PCA in 1995 & have served on a few committees . I am proud to be a part of the genetics committee as we continue our research.
